Interim Lead Counsel for the Direct Purchaser Plaintiffs

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

IN RE: CATHODE RAY TUBE (CRT)
ANTITRUST LITIGATION

Master File No. CV- 07-5944-SC

MDL No. 1917

This Document Relates to:

ALL DIRECT PURCHASER ACTIONS

~~PROPOSED~~ ORDER GRANTING
SETTLEMENT CLASS CERTIFICATION
AND PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENTS WITH
CPT AND PHILIPS

1 On March 26, 2012, Plaintiff filed a Motion for Preliminary Approval of Class Action
2 Settlements with Defendants (1) Chunghwa Picture Tubes, Ltd. and Chunghwa Picture Tubes
3 (Malaysia) Sdn. Bhd. (collectively "CPT"), and (2) Koninklijke Philips Electronics N.V., Philips
4 Electronics North America Corporation, Philips Electronics Industries (Taiwan), Ltd., and Philips
5 Da Amazonia Industria Electronica Ltda. (collectively, "Philips"). The Court, having reviewed the
6 motion, each of the two settlement agreements, the pleadings and other papers on file in this action,
7 and the statements of counsel and the parties, hereby finds that the motion should be GRANTED.

8 NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

9 1. For purposes of this Order, except as otherwise set forth herein, the Court adopts
10 and incorporates the definitions contained in each of the two settlement agreements, to the extent
11 not contradictory or mutually exclusive.

12 2. The Court hereby gives its preliminary approval to each of the two settlement
13 agreements, subject to a hearing on the final approval of each settlement agreement (the "Fairness
14 Hearing").

15 3. The Court finds that each settlement falls within the range of possible final approval
16 and that there is a sufficient basis for notifying the settlement classes identified in the two
17 settlements of the proposed settlements and for setting a Fairness Hearing.

18 4. Pursuant to Federal Rule of Civil Procedure 23, the Court provisionally certifies the
19 following settlement classes for purposes of this Motion only:

20 All persons and entities who, between March 1, 1995 and November 25,
21 2007, directly purchased a CRT Product in the United States from any
22 defendant or subsidiary or affiliate thereof, or any co-conspirator.
23 Excluded from the Class are defendants, their parent companies,
24 subsidiaries and affiliates, any co-conspirator, all governmental entities,
25 and any judges or justices assigned to hear any aspect of this action.

26 5. CRT Products refers to all forms of Cathode Ray Tubes. It includes color
27 picture tubes, color display tubes, and the finished products that contain them –
28 televisions and monitors. The settlement class definition as set forth above and as used in
this order is for settlement purposes only. It has no binding effect on the Court, on the
indirect-purchaser plaintiffs, or on the Non-Settling Defendants for any other purpose,

1 including but not limited to the filing or resolution of any upcoming motion(s) for class
2 certification pursuant to Fed. R. Civ. Proc. 23.

3 6. The Court further provisionally finds that the prerequisites to certifying a settlement
4 class under Rule 23 are satisfied for settlement purposes in that: (a) there are hundreds of
5 geographically dispersed settlement class members, making joinder of all members impracticable;
6 (b) there are questions of law and fact common to the settlement class which predominate over
7 individual issues; (c) the claims or defenses of the settlement class plaintiffs are typical of the
8 claims or defenses of the settlement class; (d) the plaintiffs will fairly and adequately protect the
9 interests of the settlement class, and have retained counsel experienced in antitrust class action
10 litigation who have, and will continue to, adequately represent the settlement class; and (e) a
11 settlement class resolution is superior to individual settlements.

12 7. The Court hereby appoints the Plaintiffs named in the Consolidated Amended
13 Complaint, filed March 16, 2009, as Representative Plaintiffs of the settlement class.

14 8. The court appoints the law firm of Saveri & Saveri, Inc. to serve as Class Counsel
15 for the settlement class.

16 9. The Court approves the form of the long form notice attached hereto as Exhibit A
17 ("Long Form Notice"). The Court also approves the form of the summary notice attached hereto as
18 Exhibit B ("Summary Notice"). The Court finds that taken together, mailing of the Long Form
19 Notice (U.S Mail or electronic mail), publication of the Summary Notice, and internet posting of
20 the Long Form Notice are: (i) the best notice practicable; (ii) reasonably calculated to, under the
21 circumstances, apprise the settlement class members of the proposed settlements and of their right
22 to object or to exclude themselves as provided in the settlement agreements; (iii) reasonable and
23 constitute due, adequate, and sufficient notice to all persons entitled to receive notice; and (iv) meet
24 all applicable requirements of due process and any other applicable requirements under federal law.

25 10. The defendants shall produce in fourteen (14) days from the entry of this Order an
26 electronic list of potential settlement class members along with their mail and e-mail addresses, to
27 the extent reasonably feasible and subject to the availability of responsive information.
28

1 11. Plaintiffs' claims administrator shall provide notice of the class settlements. The
2 claims administrator shall provide direct notice of the settlements to all members of the settlement
3 class on or before a date set 35 days from the entry of this Order. Such notice shall be sent either
4 by first class U.S. mail postage prepaid or by electronic mail. The claims administrator shall
5 publish the Summary Notice in the national edition of the *Wall Street Journal* on or before a date
6 set 39 days from the entry of this Order. The Claims Administrator shall also cause a copy of the
7 class notices and Settlement Agreements to be posted on the internet website
8 www.crtdirectpurchaserantitrustsettlement.com.

9 12. Each settlement class member shall have the right to be excluded from the
10 settlement class by mailing a request for exclusion to the Claims Administrator no later than a date
11 set at least forty-five (45) days after mailing of the direct notice. Requests for exclusion must be in
12 writing and set forth the name and address of the person or entity who wishes to be excluded, as
13 well as all trade names or business names and addresses used by such person or entity, and must be
14 signed by the class member seeking exclusion. No later than fourteen (14) days after the date set
15 for exclusions, Class Counsel shall file with the Court a list of all persons or entities who have
16 timely requested exclusion from the settlement classes as provided in the settlement agreements.

17 13. Any settlement class member who does not properly and timely request exclusion
18 from the settlement class as provided above shall, upon final approval of the settlements, be bound
19 by the terms and provisions of the settlements so approved, including but not limited to the
20 releases, waivers, and covenants described in the agreements, whether or not such person or entity
21 objected to the settlement agreements and whether or not such person or entity makes a claim upon
22 the settlement funds.

23 14. Each settlement class member who has not timely excluded itself from the
24 settlements shall have the right to object to (1) the settlements, and/or (2) the plan of allocation by
25 filing written objections with the Court no later than a date set at least forty-five (45) days after
26 mailing direct notice, copies of which shall be served on all counsel listed in the class notice.
27 Failure to timely file and serve written objections will preclude a class member from objecting to
28 any or all of the settlements.

1 15. Each settlement class member as provided above shall have the right to appear at the
2 Fairness Hearing by filing a Notice of Intention to Appear no later than a date set forty-five (45)
3 days after mailing direct notice, copies of which shall be served on all counsel listed in the class
4 notice.

5 16. The Court will conduct a Fairness Hearing on a date set on or about 131 days from
6 entry of this Order at 10:00 a.m. The Fairness Hearing will be conducted to determine the
7 following:

- 8 a. Whether each proposed settlement is fair, reasonable, and adequate and
9 should be granted final approval;
- 10 b. Whether final judgment should be entered dismissing the claims of the
11 settlement class against defendants (1) CPT; and (2) Philips;
- 12 c. Approval of the plan of allocation;
- 13 e. Such other matters as the Court may deem appropriate.

14 17. Each member of the settlement class shall retain all rights and causes of action with
15 respect to claims against all Defendants other than CPT and Philips, regardless of whether such
16 member of the settlement class decides to remain in the Settlement Class or to exclude itself from
17 the settlement class.

18 18. All briefs, memoranda and papers in support of final approval of the settlements
19 shall be filed no later than twenty-one (21) days before the Fairness Hearing.

20 19. Plaintiffs' Counsel and their designees are authorized to expend funds from the
21 escrow accounts to pay taxes, tax expenses, notice, and administration costs as set forth in each of
22 the Settlement Agreements.

23 20. All further direct purchaser class proceedings as to Defendants (1) CPT; and (2)
24 Philips are hereby stayed except for any actions required to effectuate the settlements.
25
26
27
28

1 21. The court retains exclusive jurisdiction over this action to consider all further
2 matters arising out of or connected with the settlements.

BASIC INFORMATION

1. Why did I get this notice?

You or your company may have directly purchased Cathode Ray Tubes (CRTs) or certain products containing those tubes between March 1, 1995 and November 25, 2007. For purposes of these Settlements, a direct purchaser is a person or business who bought a CRT, or a television or computer monitor containing a CRT directly from one or more of the Defendants, co-conspirators, affiliates, or subsidiaries themselves, as opposed to an intermediary (such as a retail store).

You have the right to know about the litigation and about your legal rights and options before the Court decides whether to approve the Settlements.

The notice explains the litigation, the two settlements, and your legal rights.

The Court in charge of the case is the United States District Court for the Northern District of California, and the case is called *In re Cathode Ray Tube (CRT) Antitrust Litigation*, MDL No. 1917. The people who sued are called Plaintiffs and the companies they sued are called Defendants.

**For More Information: Call 1-800-000-0000 or Visit
www.CRTDirectPurchaserAntitrustSettlement.com**

3. What is this lawsuit about?

The lawsuit alleges that Defendants and co-conspirators conspired to raise and fix the prices of CRTs and the CRTs contained in certain finished products for over ten years, resulting in overcharges to direct purchasers of those CRTs and certain finished products containing CRTs. The complaint describes how the Defendants and co-conspirators allegedly violated the U.S. antitrust laws by establishing a global cartel that set artificially high prices for, and restricted

the supply of CRTs and the televisions and monitors that contained them. Defendants deny Plaintiffs' allegations. The Court has not decided who is right.

4. Why are there Settlements but the litigation is continuing?

Only two of the Defendants have agreed to settle the lawsuit – CPT and Philips. The case is continuing against the remaining Non-Settling Defendants. Additional money may become available in the future as a result of a trial or future settlements, but there is no guarantee that this will happen.

5. What is a Cathode Ray Tube Product?

For the purposes of the Settlements, Cathode Ray Tube Products means Cathode Ray Tubes of any type (e.g. color display tubes, color picture tubes and monochrome display tubes) and finished products which contain Cathode Ray Tubes, such as Televisions and Computer Monitors.

6. What is a class action?

In a class action, one or more people, called class representatives, sue on behalf of people who have similar claims. All these people are members of the class, except for those who exclude themselves from the class.

If the Plaintiffs obtain money or benefits as a result of a trial or future settlement, you will be notified about those settlements, if any, at that time. Important information about the case will be posted on the website, www.CRTDirectPurchaserAntitrustSettlement.com as it becomes available. Please check the website to be kept informed about any future developments.

THE SETTLEMENT CLASS

7. How do I know if I'm part of the Settlement Class?

All persons and entities who, between March 1, 1995 and November 25, 2007, directly purchased a CRT Product in the United States from any defendant or subsidiary or affiliate thereof, or any co-conspirator. ("Settlement Class").

**For More Information: Call 1-800-000-0000 or Visit
www.CRTDirectPurchaserAntitrustSettlement.com**

8. What do the Settlements provide?

The settlement with CPT provides for payment of \$10,000,000 in cash, plus interest. The settlement also provides for extensive cooperation with Plaintiffs regarding the antitrust conspiracy alleged in the complaint. In addition, CPT's sales remain in the case for the purpose of computing damages against the remaining non-settling Defendants. Finally, the settlement provides that \$500,000 of the \$10 million settlement fund, subject to Court approval, may be used to pay expenses incurred in the litigation for prosecution of the action on behalf of the Settlement Class against non-settling defendants.

The Settlement with Philips provides for payment of \$27,000,000 in cash; however, the \$27 million settlement amount is subject to reduction based on the number of exclusions from the Settlement Class after notice. The detailed reduction formula is set forth in the Philips settlement available on the Settlement Class website www.CRTDirectPurchaserAntitrustSettlement.com. The settlement also provides for extensive cooperation with Plaintiffs regarding the antitrust conspiracy alleged in the complaint. In addition, Philips' sales remain in the case for the purpose of computing damages against the remaining non-settling Defendants. Finally, the settlement provides that \$500,000 of the settlement fund, subject to Court approval, may be used to pay expenses incurred in the litigation for prosecution of the action on behalf of the purported class against non-settling defendants.

More details are in both Settlement Agreements, available at
www.CRTDirectPurchaserAntitrustSettlement.com.

9. When can I get a payment?

No money will be distributed to any Settlement Class Member yet. The lawyers will pursue the lawsuit against the Non-Settling Defendants to see if any future settlements or judgments can be obtained in the case and then be distributed together, to reduce expenses.

Any future distribution of the Settlement Funds will be done on a *pro rata* basis. You will be notified in the future when and where to send a claim form. **DO NOT SEND ANY CLAIMS NOW.**

In the future, each Settlement Class member's *pro rata* share of the Settlement Fund will be determined by computing each valid claimant's total CRT Product purchases divided by the total valid CRT Product purchases claimed. This percentage is multiplied to the Net Settlement Fund (total settlements minus all costs, attorneys' fees, and expenses) to determine each claimants *pro rata* share of the Settlement Fund. To determine your CRT Product purchases, CRT tubes (color display and color picture) are calculated at full value (100%) while CRT televisions are valued at 50% and CRT computer monitors are valued at 75%.

In summary, all valid claimants will share in the settlement funds on a *pro rata* basis determined by the CRT value of the product you purchased -tubes 100%, monitors 75% and televisions 50%.
